Halloween Fun Day

We will be celebrating Halloween in style on Friday, October 27th during the skaters freeskate sessions:

- 4:30-5:30 Star 3+
- 6:15-7:00 Star 1/2 & Jr Academy

Skaters must be able to skate and stay warm in their costume.

Jackets:

The club is putting in an order of club jackets. We have decided to order a variety of sizes. They take about 8-12 weeks so we are hoping they will be in by Regionals (mid January). I have a few sample sizes if you'd like to pop down and try one on.

They will cost approximately \$100. Let me know if you have an old one to sell - particularly the size.

Photos:

Skater photo day will take place Sunday November 12th. Likely at 4 pm but I'll confirm as we get closer to that date. The group photo will take place right at 4 (again I'll confirm) with individual shots happening afterwards in this order: Junior Academy, Star 1/2 and Star 3+. Order forms must be filled out in advance. Payment is due at the time of photos. Skaters should wear a nice skating dress with clean nude tights, and the hair should be done nicely in an up-do. Their pose should be worked out in advance. Usually it's the starting or ending pose from their solo. As soon as I have forms I will pass them out.
