RE: SANTA SKATE 2019 “Christmas through the Decades”

Hello Skating Parent,

Every year the Prince George Figure Skating Club puts on a holiday ice show aka **Santa Skate**. All club participants will perform special numbers with their group for an audience filled with loved ones and friends. After the show everyone is invited to join the stars of the show on the ice for a skate with the beloved Santa Claus! Santa Skate is also a fundraiser for our club so admission will be by donation, there will be a bake sale, we will have a figure skating dress/skate swap and we will be selling our 50/50 raffle tickets.

***Show Date: Friday, December 13th from 7-9 pm in Kin 1
Admission by donation***

We will send home invitations that the skaters can pass out to their friends, family, teachers, etc. Anyone wanting to join us on the ice after the show will need to bring their own skates and helmet. ☺
The more, the merrier!

Practice Days:

Practice sessions for Junior Academy will begin this week. Practices will take place during regularly scheduled sessions.

Group Outfits:

Group outfits are simple and should be things that you have in your home or could easily borrow. It is not necessary to go and buy anything special.

- Black leggings & oversized sweater (they are representing the 80s! – so keep this in mind when styling the outfit and hair – go wild).

Fundraising at the show:

We would love if all of our skating families could help us with our fundraising efforts by providing an item for our bake sale (individually wrapped or just plated) or helping with the show in some way (we need volunteers to sell 50/50, bake sale items and collect donations at the doors). You will be credited for 1 hour of your volunteer requirement. Please email Lara Lacharite if you're able to help.

Skate & Dress Consignment Sale:

Star Robinson will be organizing a skate/dress consignment sale for the event. The cut off to get items to her will be Friday, December 6th. Please contact her for all the details:

Can't participate?

Just let one of the coaches know. Note: all skaters will take part in the practices regardless of their show participation.
